American Sabres Shoot Down Two Russian Made Jets During Opening Battle Over N. Korea

Tokyo, June 22.—(P)—The Red Air Force was beaten for the first time in two roaring jet battles over North Korea today, as the U. S. Fifth Air Force announced.

That raised Red losses this week to 11 planes shot down, one badly destroyed and 17 damaged—a total of 29.

Eighty-nine jets were involved in the two battles, which were fought within 12 hours of the first fire bomb attack on United Nations troops.

House Democrats Are Alerted For Vote on Tax Bill

Washington, June 22.—(P)—Administration leaders alerted all House Democrats to be on hand for a decision on the \$7,200,000,000 tax increase bill which is being opposed by most Republican members.

After the final five hours of debate, scheduled to end at 3 p. m. (ET), the Republicans planned to vote that the record-breaking revenue measure be returned to the ways and means committee for rewriting.

Rep. Percy Priest of Tennessee, whose job as majority whip is to see that all the Democrats are on hand for crucial votes, told a reporter:

"There's no question but that we can pass the bill, but the vote on the motion to recommit may be close."

On that tally, the Democratic leadership expects to drop to not more than six to ten Democrats, and is hopeful of picking almost that many Republicans in favor of the bill. On that basis, they figure the current Democratic majority of 33 members ought to be sufficient to dispatch the legislation to the senate.

Further unpredictable delay had resulted if the bill were re-committed. The ways and means bill has been studying the 1951 bill since early February.

It calls for a \$2,847,000,000 increase for individuals over a full year's operations, \$2,855,000,000 for corporate income and excess profits taxes, and a boost of \$252,000,000 in excise taxes on such things as whisky, cigarettes, gasoline and automobiles. The balance of the revenue increase would be achieved by a variety of miscellaneous changes, including curbing withholding of income tax payments on dividends, royalties and some interest.

AUTOMATIC DRILLING

Pittsburgh, June 22.—(P)—John Starbird, Paloma, Calif., oil production engineer says the age of automatic drilling of oil wells about to aid the industry. Starbird spoke yesterday at the Gulf production conference. He said automatic controls are being developed to permit drilling rig devices to operate virtually by themselves.

General Assembly Digs In For a Long Summer Session On Tax-Budget Issue

Harrisburg, June 22.—(P)—The general assembly dug in today for a long summer session on the tax-budget issue. But the break may come any time.

Some senators, for a time, toyed with the idea of declaring an indefinite recess until a solution is worked out. However, administration leaders in both houses promptly brushed it aside.

Such a recess would be "a big mistake," said Chairman T. Newell Wood, of the senate finance committee, leading the administration fight in the senate for Gov. John P. Fine's income tax.

"I think we should get our job done and go home," Wood added. "People are tired of having us hang around here."

BULLETIN

Harrisburg, June 22.—(P)—A spokesman for Gov. John P. Fine said today Sen. John M. Walker, Republican floor leader and a strong opponent of Fine's proposed income tax, "is performing magnificently for the Democrats." The spokesman, who declined identification by name, made the assertion in a statement released by the governor's office. The statement was in reference to a comment by Walker in regard to a telegram sent by Fine yesterday to Pittsburgh, Pa., charging that four senators from Allegheny county "are playing fast and loose with their commitments on state projects."

Speaker Herbert P. Sorg, of the House of Representatives, likewise brushed down the suggestion, with blunt statement: "It's certainly not in our planning."

Two developments in the tax battle stood out as the session continued today.

On the ground, U. N. patrols Friday ran into what appeared to be the Red's first line of defense on the western front. Allied officers there predict a limited Communist counteroffensive by Monday.

Front line dispatches reported Chinese showered artillery and mortar fire on an Allied patrol north of Yonchon. That, for the second successive day, forced back U. N. units probing toward P'yong-gang in the old Red "Iron Triangle."

The Reds didn't try to interfere with patrols poking around Kaesong, far to the west. The town was entered Thursday but not by returning units Friday.

Reds made three small attacks on the east central front Friday, but didn't get anywhere. Their air force was no more successful. Thirty Red-nosed MIG-15s roared out of Manchuria and across the Yalu river Friday morning to renew the jet war after a one day lull. Twenty-eight Sabre jets swooped down on them 30 miles from the Manchurian border.

Two MIGs were shot down and two damaged in the engagement fought at the comparatively low level of 10,000 feet.

Another MIG was damaged in a second battle in the same area about noon. Six Sabre jets took on an estimated 25 MIGs in that fight.

Flying Printer Safe At Seneca Airport

Lake Wales, Fla., June 22.—(P)—A deaf mute private pilot overdue on a flight to Pennsylvania turned up within a few miles of his destination.

Stuart MacPherson, Jr., sent word to his father in Rockford, Pa., yesterday that he had reached Seneca, Pa., safely and would soon be home.

The elder MacPherson telephoned the good news to MacPherson's employer, Eugene Speight, co-publisher of The Lake Wales Daily Highlander.

MacPherson, about 36, an experienced flier, left here Tuesday morning, expecting to reach Rockford yesterday. The CAA was asked to check on his whereabouts when he hadn't arrived early yesterday.

The father said the message from his son reported he had been forced down twice by bad weather in isolated places. He was alone in a two-place Taylor Craft.

The younger MacPherson is a linotype operator.

Girls to Compete for Celebration Queen And Court to Be Chosen Saturday Night

Announcement was made Thursday evening at a meeting of the Fourth of July Celebration committee, sponsored by the Jaycees, that plans are complete for the ceremonies scheduled for eight o'clock Saturday evening in Second avenue in front of the Warren Bank and Trust Co. building, when the five young women who will compete for celebration queen and her court will be chosen.

The selection of the five girls, from the forty entries already received, will be by popular applause, with the use of an applause meter, with Leroy Schneek, of Radio Station WNAE, acting as master of ceremonies, assisted by a committee of judges to be announced. The program will conclude with a street dance.

All girls who have submitted their names as contestants for celebration queen are reminded that they should be in the crowd before eight o'clock. The formal selection of a queen and her court will be made at ceremonies set for Saturday evening, June 30th, in front of the Municipal building, the details for which are being worked out and will be announced later.

Representatives of the committee were in touch again this morning with Rear Admiral Dennison regarding the dedication ceremonies at War Memorial Field, and it is expected that a definite announcement will be forthcoming regarding the date for this event today or tomorrow. As discussed Thursday evening it appeared that the program will conclude with a street dance.

Gov. John S. Fine will make a 15-minute radio speech over a state-wide hookup Monday night on the subject of "budget and taxes."

The governor's office said the radio talk will take place from 7 to 7:15 p. m. EST. He will also appear on a Philadelphia television station from 9:45 to 10 p. m.

The radio talk is expected to deal with the governor's proposed state budget which has caused a split in Republican ranks in the state senate.

UN Members Asked To Help Fight Reds

United Nations, N. Y., June 22.—(P)—The United States has asked the rest of the United Nations to send reinforcements to Korea.

"There is a real need for additional forces from member states in the light of massive Chinese Communist concentrations in the area, and of their continuing aggression," the United States delegation told the U. N.

Ernest Gross, acting chief U. S. delegate, asked Secretary-General Trygve Lie especially to get troops from the nations which said they would support the U. N. action, but so far have not sent troops.

Crazed Coal Miner Slays Three People Before Suiciding

Uniontown, June 22.—(P)—A crazed coal miner shot and killed two women and a deputy fire chief in the nearby mining town of Republic yesterday, then took his own life.

Detective William J. Long of Fayette county in southwestern Pennsylvania said the slayer was William Johnson, 51-year-old negro. The victims were Mrs. Frank Shiner, 30; her sister, Mrs. Susie Gaszdo, 34; and Michael Krocheck, 45. All three were white.

Long said Johnson, the two women and their families all lived in the same house. He could give no reason for the killings.

As related by the detective, Johnson killed the women with a shotgun, ran across the road, threatened a negro woman, then returned to the house. He locked himself in and set the house afire.

Firemen rescued two small children, the only ones in the house at the time, and put out the flames. Krocheck was shot with a pistol as he was climbing a ladder set against a wall of the blazing house.

While police were firing tear gas shells through the windows, Johnson committed suicide with the pistol.

Each woman was the mother of four small children, ranging in age from one to 12 years. The two families shared the upper half of Johnson's double house. He lived on the first floor.

Two of the children were the only witnesses to the tragic shootings. After killing the two women the negro set fire to some bed clothes, let the two children in the room and went to another part of the house.

Long said neighbors reported that the families had been quarreling with Johnson for some time. They said Johnson originally owned the house but turned it over to Frank Shiner and arranged to keep one room for his own use. Shiner was at work at the time of the shootings.

Scores of spectators watched Johnson exchange shots with police who stationed themselves in the middle of the street and at other points around the house.

Johnson was shot in the chest and died at the scene.

EMPLOYEES OF BRITISH FIRM TO QUIT IRAN

Tehran, Iran, June 22.—(P)—British employees of the Anglo-Iranian oil company got ready today to pull out of Iran as increasing Iranian pressure threatened to break down British operation of that giant firm.

A. E. C. Drake, AIOC general manager at the great Abadan refinery, warned all his British staff—some 3,000—to get their passports ready for a hasty exit.

It was the final preparation for a general British departure, if threatened disorders begin, or if Iran continues to press for immediate turnover of operations to her newly nationalized oil industry.

The British predict the showdown will come at Abadan within the next few days. They expect Iranian oil company officials will ask British technicians to sign agreements acknowledging they are employees of the Iranian government at the same time they have under AIOC contracts.

The Iranian government today gave British AIOC employees one week to decide whether they want to continue to work at their job under the newly organized Iranian national oil company.

Deputy Premier Hossein Fatimi said Britons and other foreigners wishing to work with the National oil company would get the same pay and privileges they received under AIOC contracts.

A British embassy spokesman said yesterday he doubted whether many Britons wanted to work for the Iranian government. AIOC officials have said privately the company can transfer its employees here to other AIOC affiliates in Iraq and Kuwait.

The AIOC negotiating team left Tehran airport this morning for London.

Premier Mohammed Mossadegh, kingpin of the drive to take over AIOC operations under the nationalization law he pushed through parliament 12 weeks ago, received a solid vote of confidence from Iranian deputies yesterday.

The vote chilled western hopes that many legislators had soured on Mossadegh's "no compromise" stand toward the British-owned company which has run the Iranian oil industry for 50 years.

Eccles Will End Stormy 17 Years As Office Holder

Washington, June 22.—(P)—Ending a stormy 17 years in government service, Marriner S. Eccles will leave the federal reserve board July 14, some 6 1/2 years before expiration of a term President Roosevelt named him to in 1934.

The Utah millionaire, now 61, sent his resignation yesterday to President Truman, who demoted him 3 1/2 years ago from the chairmanship of that board he had headed for the preceding 12 years. President Roosevelt also had named Eccles federal reserve chairman.

In the letter, Eccles said "it has been a great honor and privilege to serve my country for so many years, but I now feel the time has arrived when I can and should return to my home and private business."

Those affairs are numerous and varied, Eccles will make his headquarters in Salt Lake City, but he will not return to private banking immediately; the law prevents a reserve board member from doing so within two years after his resignation.

Mr. Truman, whose policies have been sharply criticized by Eccles as having been "completely inadequate" to check inflation, omitted the usual "thanks for your services" in his letter accepting the resignation.

Bullet in the Head Accidentally Cures Paranoia Victim

London, June 22.—(P)—The story of a man who cured his insanity—but not his disposition—by putting a bullet through his own head was told today in a British doctors journal.

Dr. John Slobach of Basingstoke said that instead of killing himself the would-be suicide succeeded only in performing a rough leucotomy. This is an operation to remove the frontal lobes of the brain. It has been found to be effective in some types of mania.

Writing in the Weekly Lancet, Dr. Slobach said the patient has now recovered and no longer mad. The man, a 55 year old retired Army officer, had been suffering from paranoia—a mania featured by depression and delusions of persecution.

One night in his bedroom he shot himself in the right temple with a .38-caliber pistol. The bullet went through his brain and out his left temple.

Instead of dying, the ex-officer got up next day, dressed himself and cooked his own breakfast. His wife found him calmly eating, with a slight trickle of blood flowing from both sides of the wound.

He was taken to a hospital, where the wound was dressed and bone fragments removed. He had lost his memory, but his physical condition was good.

"After three months," reported Dr. Slobach, "he was mentally alert, rational, more interested in his surroundings, cooperative, and read the daily papers."

LETTER URGED OFFENSIVE IN SOUTH CHINA

Washington, June 22.—(P)—Gen. Matthew B. Ridgway, now Far Eastern Commander, supported last December the demand of Gen. MacArthur for use of Chinese Nationalist troops against the mainland of China.

This was developed today at the senate inquiry into MacArthur's dismissal for publicly advocating use of the Nationalist troops and other direct blows at Red China.

Senator Knowland (R-Calif.) put into the record a communication that Ridgway, then field commander under MacArthur, sent in late in December to Gen. J. Lawton Collins, army chief of staff.

In it, Ridgway said he was "convinced of the logic" of MacArthur's contention that a Nationalist offensive in South China would "even if only moderately successful, relieve pressure on our force in Korea."

This was at a time when United Nations forces had been driven back in Korea by overwhelming numbers

The Changing Landscapes

RALPH G. ECKERT

Warren, Pa., June 22, 1951.

Hello Folks: Two weeks ago we said goodbye and good luck to Jack Becker and this week we welcomed Paul Landon to Warren county. Paul graduated from State College with a degree in forestry. He was born and raised on a farm in Logan county and served 32 months in the Navy in World War II. Tom Leathers, well known Akeley farmer, has completed his change-over to grassland farming this spring. He is thoroughly convinced of the superiority of grass silage over corn silage and said, "I had the most beautiful silage last year and didn't put a thing with it to keep it." His well-drained ground grows ladino clover and orchard grass. Tom said it is time to cut the grass for silage and is not bothered by having to cultivate corn since there is no corn on the farm. Any farmer having questions on grassland farming would do well to get Tom's ideas on it.

The Soil Conservation Service helped John Wilms, Columbus farmer with his conservation survey. He has some well-drained ground that is pretty rough for farming and then like most farms in Warren county he has some poorly drained land. This is where he plans to have his pasture.

I found this last rainy spell a good time to deliver completed farm plans to Everett Reynolds, Bob Meabon and Al Brown down Torpedo way and Pete Rafalski on Davy Hill. The plans were discussed with each farmer and the various practices, times and methods of establishment were again explained. Any questions bothering the farmers were settled and the complete understanding of their plan is the result.

A complete farm plan on every farm in Warren county and each farmer understanding the plan completely is the goal of the Soil Conservation Service. Only by complete cooperation can we put every acre of our farm land to its proper use and thereby get the greatest production with the least erosion. See you all next week.

DRUNK ARRESTED

State police were called to Route 62 near the Irvine bridge yesterday to search for a drunk who had been making himself a nuisance in the neighborhood. After considerable looking, the floater was found in a field near the south side of the bridge. He was lodged in the Market street hotel.

GASOLINE REPORT

Daily average production of natural gasoline and allied products for the month of April was 567,000 barrels, according to figures released by the U. S. Bureau of Mines, Department of the Interior. The figures represented a decrease of 18,000 barrels over the total of March this year, but represented an increase of 19 percent over the comparable month in 1950.

AVERAGE PRODUCTION

Daily average production of crude oil and lease condensate for the week ending June 9 was 6,168,350 barrels, according to figures released by the American Petroleum Institute. The figures represented a decrease of 900 barrels from the previous week in this year but represented a gain of 862,900 barrels over the comparable week in 1950 when 5,305,450 barrels were produced.

CRUDE RUNS

Crude runs to stills for the week ending June 9 totalled 6,445,000 barrels daily, according to figures released by the American Petroleum Institute. The total represented a decrease of 156,000 barrels daily over the previous week in this year but represented a gain of 921,000 barrels daily over the comparable week in 1950. Crude runs to stills include the production of gasoline, kerosene, gas oil and distillate fuel and residual fuel oil.

CYCLIST HURT

Troy Hansen, 21, of Columbus, was given emergency treatment at the Corry Memorial Hospital at 6:30 p. m. Wednesday for a puncture wound of the left foot sustained while riding a motorcycle for the first time. Hansen lost control of the wheel on his initial ride and it veered out of control and off Route 6 into the lawn of the Hollis Upperman home. The rider was hurled from the cycle, which is owned by Robert Gincott of Columbus, with it then coming to rest on top of him and injuring his foot. He was taken to the Corry hospital for treatment following which he was discharged.

Price on All Soft Drinks Must Be Cut Ruling of OPS Says

The Office of Price Stabilization today got around to explaining what it meant with the announcement that a nickel is the top soda pop price in Pennsylvania.

What the OPS actually meant, the Philadelphia office explained this morning, was that the price could be reduced by the amount of the former state penny tax.

An OPS official explained, while there is no fixed price ceiling on pop and other soft drinks, prices all along the line from manufacturer to consumer must be lowered to compensate for absence of the state tax which expired June 1.

That tax was a penny an ounce on the syrup used to manufacture soft drinks. On the most ordinary-size bottles of pop the tax was one penny; it was three cents on quart-size bottles.

An OPS spokesman said the statewide price control policy would work this way:

For firms which formerly posted the price of the soft drink and tax separately—the tax charge must now be removed.

The firms which posted only the gross price—this must be reduced by the amount of the tax, even though these firms have claimed to OPS that they were "absorbing" the tax themselves.

The complicated situation has caused widespread confusion throughout the state with many dealers awaiting specific information from the OPS. In several places business men chose to halt or reduce soft drink sales pending clarification of the price picture.

YOUNGSVILLE

Youngsville, June 22—The union vacation Bible school in the Methodist church, with pupils from both the Evangelical United Brethren and Methodist churches, closed Friday. A fine picnic on Island Park was enjoyed Friday afternoon, with members of the families enjoying the picnic with the pupils. A good program was given Friday evening. Features included some of the work which the young people learned during the two weeks' course.

Nellie Knapp returned this week from Meadville, where she was the delegate from the Methodist church at the Erie Conference sessions.

Bethel Church to Have Anniversary Celebration Sunday

Bishop D. T. Gregory, bishop of the Eastern Area of the Episcopal United Brethren denomination, will be the special guest for the 29th anniversary celebration at Bethel church, 1000 Pennsylvania avenue at Hertz, on Sunday. Services will be at 10 a. m. and 7:30 p. m. The church was originally the United Brethren church, but by that name until the merger of the Church of the United Brethren in Christ and the Episcopal Church in 1946 at John-

town. As a result of the merger, the name was changed to Bethel Episcopal United Brethren church.

In the year 1874, Bishop J. Weaver dedicated the Hatch Hollow church which was the forerunner of the present congregation.

Bishop Gregory, Sunday's speaker, is an outstanding leader in the denomination, having served as executive secretary of the general council of administration in Dayton, O., for a number of years prior to his election as bishop of the area at the general conference in Dayton last November. He is a man of fine abilities as a devotional preacher and the public is cordially invited to join with the congregation in its birthday celebration and hear his Sunday messages.

Other services of the day will be the church school at 10:00 a. m.

NAMED SQUAD LEADER—William Blicke, of 1312 Pennsylvania avenue, west, who enlisted in the Air Force on June 11, has been named squad leader for his basic training unit. He also has been chosen for instructors school for eight weeks of advanced training, after which he will become an instructor for new recruits. He is located at Sampson Air Force base.

Fire Wardens in Northwest Area Get Certificates

A. H. Vogler, district forester for the Pennsylvania Department of Forests and Waters, today announced that service certificates have been awarded 20 area volunteer forest fire wardens. They were:

Warren County
25-year certificates: D. W. Mourer, E. L. Martin, E. T. Sleeman, R. N. Vail, and E. A. Weller.
15-year certificates: R. C. Bailey, L. E. Linder, M. D. Stanton.
10-year certificates: W. L. Highhouse, D. G. Kroft, Fred Landquist, Bertram Messerly and Michael Zurkan.

Forest County
35-year certificate: Amos S. Eldridge.
25-year certificate: G. C. Reynolds, P. A. Wolf.
20-year certificate: R. J. Harmon.

Erie County
20-year certificate: Edward W. Long.

Venango County
20-year certificate: Samuel H. Nelson.
15-year certificate: Roy E. Bailey.

In commenting on the certificate awards, Vogler said: "The prevention and extinction of forest fires has always been the prime aim of the Department of Forests and Waters in Pennsylvania. To accomplish this, certain men who volunteered their time and service were chosen and trained in the methods and procedure of fire control. The Fire Wardens of Pennsylvania have faithfully carried out their duties in the protection of public and private forests from fire. To individually acknowledge their loyalty, effort and accomplishment, each warden receives a certificate for varying periods of service. Through wars and peace the Fire Wardens and their crews have always conscientiously discharged their duties as guardians of Pennsylvania's forests. To them the public's highest praises are due."

Word Is Received From Injured G. I.

George Christensen, of Irvine, has had further word from his son, George, Jr., Navy Hospitalman, who was wounded in Korea on June 2. The letter comes from George, Jr., who is hospitalized in Japan.

He states that he was hit in both arms and the upper right chest by mortar shell fragments, and is well enough to pick out a letter on a typewriter. He will undergo an operation shortly for the removal of the steel chips, and seems to be making satisfactory progress toward recovery.

He spent nine months in Korea, several of which were in combat, and has been awarded the Purple Heart.

Next week's activities will include the annual congregational meeting, to be held in the form of a tureen dinner at 6:30 p. m. Wednesday, when members received into the parish this year will be honored guests.

The Ladies Aid Society will meet at 7:30 p. m. Thursday at the home of Mrs. Ethel Harriger, and the annual picnic of the Sunday school will be held next Saturday, June 30, at Wildcat Park in Ludlow.

Wages Increase For Handicapped Residents of State

Harrisburg — Wages increased 350 per cent for 2929 handicapped Commonwealth residents during the past year after their retraining and preparation for new jobs by the State Bureau of Vocational Rehabilitation.

Mark M. Walter, Bureau Director, said that before vocational rehabilitation was started for the 2929 persons, their wages totaled \$1,200,000, but that after they were given the retraining services which are provided by the bureau, their annual earnings increased to an aggregate of \$5,500,000 or approximately \$1,936 each.

As a result of the increased earnings of these workers, Walter added, the annual earning power of Commonwealth residents was increased by approximately \$4,300,000.

Prior to vocational rehabilitation services, the group's economic status was comparatively low, Walter said. Some 42 per cent were dependent upon their families for support; 11 per cent were existing on insurance benefits; 10 per cent were receiving relief; 27 per cent were living on small wage earnings from part-time jobs, while the remaining 10 per cent were dependent upon some other source for support.

The few who were working before vocational rehabilitation was started were in danger of losing their jobs because of their physical disabilities, were in temporary or part-time employment or in positions which constituted hazards to themselves or to fellow workers.

"Vocational rehabilitation, as administered by the bureau, provides the means and personal confidence and security which handicapped persons need to retrain for jobs or to obtain work more compatible with their individual capabilities," Walter said.

This service is provided to Commonwealth citizens over 16 years of age who have substantial employment handicaps resulting from a physical or mental disability. The bureau's program is designed to develop, preserve, or restore their work capacity, and the objective of every rehabilitation is permanent, safe and satisfactory employment.

FIRST INDEPENDENCE DAY

As Warren completes plans for a five-day celebration beginning Saturday, June 30th, it is interesting to note that the first observance of the Declaration of Independence was not held on July 4. It was held on July 8, 1776 — — — four days after congress officially adopted the historic document.

According to research experts with the World Book Encyclopedia, patriots who gathered in Philadelphia's Independence Square are credited with originating what has been an annual celebration ever since. The great crowd heard John Nixon, prominent Philadelphian, read the entire Declaration. He stood on a towering platform erected seven years earlier by the American Philosophical Society for the observance of a rare phenomenon involving the planet Venus.

Bells pealed throughout the day. John Adams' letters mention chimes, possibly those of Christ Church. As the rector of the church was a well-known Royalist, the chimes probably were "rung without benefit of clergy."

Not until July 2 of the following year did it occur to the Philadelphians that the celebration should be repeated on July 4.

A letter written by John Adams to his daughter tells the story of the next July 4 in 1777. Again bells pealed throughout the day. Warships anchored in the river were gaily decorated. Bonfires and fireworks lit the sky in the evening. Candles burned in the windows of nearly every home.

Congress adjourned for the day. The government dignitaries enjoyed a special dinner in a Philadelphia tavern, with music by a Hessian band, which had been captured at Trenton. During the after-dinner toasts, soldiers outside the tavern fired continuous volleys.

According to the World Book researchers, this annual celebration of the Fourth of July spread slowly throughout the country. But, even today, July 4 is not a national holiday by United States law.

YOU DON'T HAVE TO BE TIRED

Though most people are tired — — occasionally, or frequently, or all the time — — no one in good health need ever be. This simple truth, says Marie Beynon Ray in the July Reader's Digest, is so little understood that those fortunate people who are never tired are considered abnormal. The contrary is true: it is normal not to be tired. There is energy enough in most of us to keep us going at top speed for a lifetime. We have only to set it free.

Miss Ray's article fairly bristles with little-known facts of fatigue. For instance, mental work never tires you, she says. Physical effort is something else; your lost energy is restored by food and a night's sleep. But if you're tired from a "hard" day at the office, even a six-months' rest won't help you. The cause of your fatigue isn't overwork. It's boredom with your job, or worry, or a sense of inferiority — — the little daily fears that are undermining your morale.

The cure? Not a vacation. More work — — but work of the right kind. Get a job that interests you — — and instead of looking forward to closing time you'll want to work 12 hours a day. If your job is routine, and you can't leave it for another, try to find interests outside. Busy, interested people are never tired. Bored people are.

Boredom, in fact, is a prime cause of fatigue. If you think boredom can't make your feet drag and your back ache, you're wrong. Boredom with housework, husbands and mothers-in-law has led to all manner of physical ailments in women, as records in any psychiatrist's files can testify.

The American Red Cross Bloodmobile will be in Warren headquarters Monday afternoon beginning at twelve o'clock noon. It is hoped that the unit will collect 150 pints of whole blood. Every able bodied man and woman who can possibly do so is urged to report as a donor. If possible telephone, but if not, report any way. The unit will be here until six o'clock in the evening.

The celebration committee heard further encouraging reports about plans for the Fourth of July observance at the meeting held last evening at the American Legion Home, but one of the disappointing notes during the session was the statement of the finance committee which shows the donations are far below what they should be. Make checks payable to, "The Fourth of July Celebration Committee" and mail to John Haggerty, P. O. Box 57, Warren, Pa.

His Cross

Here And There

One of the biggest and most important projects facing residents of the borough at the present time, along with the Fourth of July celebration, is the forthcoming visit of the American Red Cross Bloodmobile Monday afternoon from twelve until six o'clock. The unit is scheduled to take at least 180 pints of blood during the visit, and of this, it should be remembered, half is sent to Korea to aid war casualties, and still another portion remains here in Warren.

The hours of twelve to six have been set with the idea that it will be more convenient for many working men, especially those who go off duty at three or three-thirty o'clock. Those in charge urged that persons interested register by calling Red Cross headquarters, in Market street, telephone 2926. However, it is not necessary to register, all persons who can do so are urged to present themselves at headquarters between the hours stated.

For those who have not had the experience of being a blood donor, we might remind that it is a very simple, interesting and very much worthwhile operation. In addition the donor has the advantage of undergoing an examination, at no expense, which is of great value to the individual who is interested in his own physical well being. Medical men especially trained in the particular line of duty they are engaged in, assisted by a bevy of nurses experienced in working with the unit, who in turn are aided by a large group of local women, are in charge of the examination, which consists in part of a check on the weight, blood pressure, blood count, etc., of the donor, before he is permitted to join the line entering the room where the "blood letting" takes place. If not found physically fit the prospect is informed as to his condition and may even be advised to see his physician.

Every able-bodied adult who possibly can do so, is urged to report to Red Cross Headquarters Monday after twelve o'clock noon. The call for whole blood during May was very high and showed the urgent need for more volunteer contributors. Unless more blood is obtained the demands of the member hospitals will not be met. Also the demand for blood being shipped to Korea has increased greatly.

Expect New DiSalle Order To Break Tool Bottleneck

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON (NEA)—Office of Price Stabilization Director Michael V. DiSalle is momentarily expected to hand down a new machine tool pricing order. When it is on the books, the last major bottleneck on machine tool production is expected to be broken. And repetition of the World War Two crisis over machine tool shortages is expected to be avoided.

America's 700 machine tool builders were caught in a tight jam by the OPS manufacturers' general price ceiling order. This order was issued April 24, effective May 28. It set ceiling prices at the level of the first half of 1950, on all manufacturers.

Machine tool prices in effect then were based on orders placed in 1949. There was a marked business recession on then. Orders were few and prices were comparatively low.

The machine tool shortage did not begin to develop with the outbreak of the Korean war, a year ago. It was well before the defense mobilization program began to roll. By that time there were shortages of materials and soaring prices all over the place.

Most of the machine tool manufacturers are small companies. The only way they can get increased production is to put on extra shifts, pay overtime and premium wages, or sub-contract for parts production. All these things increase costs by 15 per cent or more. That's where the tool makers got hit hardest by the price freeze.

Other bottlenecks that have hindered machine tool production have been or are being cleared. Giving the tool makers all the scarce materials they required was handled by a series of Defense Production Administration allocations and priorities.

One of the principal methods for increasing machine tool production will be to license new manufacturers. An established tool making company, for instance, will license a company now making automobiles to make certain machines—lathes, grinders, or boring machines in greatest demand. By this licensing system, the industry will not be over-expanded. When the emergency is over, the auto maker will go back to making autos while the tool maker will still have his regular business for normal demand.

Financing greater machine tool manufacture is being handled through government V-loans. Also, General Services Administration is giving the tool makers government pool orders. They insure production of most-needed machines. And the government guarantees to buy any unsold machines at a 17 1/2 per cent discount, if the mobilization demand should end suddenly. Government pool orders insure sales and deliveries to essential defense producers only.

The government's huge stockpile of machine tools, held as an industrial reserve after the last war, has now practically all been put in service. It has been a tremendous help in meeting the present emergency. Principal demand for new machine tools now is for the manufacture of newer weapons. These include jet engines, the new tanks, guided missiles and electronics equipment.

THE present emergency calls for nothing like the expansion in World War II. Output of the industry is measured in dollar value of products sold. In 1939 it was \$166 million. By 1942, the peak year, it was \$1,321 million—an 800 per cent increase.

Production in 1950 was valued at \$295 million. This year it may be more than doubled to \$600 million output. This is only half the 1942 rate of production.

It may go higher in 1952. And an all-out war would of course make it soar. Present backlog of orders is now estimated at a billion dollars. But one thing the industry wants to avoid is over-expansion now, followed by hard times again after the defense mobilization emergency ends.

This 'N' That: Down at Oil City

Wednesday evening the American Legion sponsored a program of wrestling bouts, the first in many years for Oil City, and, according to the Derrick, "2,500 screaming fans turned out to Ramage-Hasson field for the entertainment. . . . And it is interesting to note that in New Castle where they had a new automobile standing on the streets for the past few weeks advertised as a benefit for the Mid-Atlantic baseball team, the sum of \$8,000 was raised by the project. . . . Plans for the Oil Festival celebration to be held late in August in Titusville were discussed at a meeting held this week. . . . A bill to empower the state Board of Chiropractic Examiners to pass on qualifications of applicants for a license met defeat in the Senate Wednesday night by a vote of 26 to 22 with Sen. LeRoy Chapman of this city, himself a physician, opposing the measure in a senate speech in which he said recognition of chiropractors would be "extremely detrimental" to medical practice in the state. . . . Fred T. McCollum, who will be remembered for activities in Odd Fellows circles some years ago, with Mrs. McCollum marked their 50th wedding anniversary Wednesday at their home in Oil City; at one time Mr. McCollum was sheriff of Venango county. . . . In connection with the advertisement appearing elsewhere in this issue telling of the series of games Saturday evening at the VFW it might be mentioned that proceeds from these activities are used to help defray one of the most worthy activities the post or auxiliary engages in and that is the visitations made on holidays and at least once each month to veterans at the Warren State Hospital, including the parties that are held yearly at Christmas time when gifts are distributed to the ex-soldiers in the institution. . . . Among the many attractive flower gardens in and around Warren is to be seen at the Rockwell home facing Poplar street. . . . Frank McCormick has resigned as manager of the floundering Bradford Phillies in the PONY League and has been replaced by Johnny Davenport, who comes to Bradford from Elizabethton, Tenn., where he managed the Class D Appalachian League team. . . . Charley Springer, Bell Telephone Co. manager in Bradford, formerly of Warren, has announced that the dialing system will be placed in operation in Bradford July first, with a couple circuits being used on a trial run basis beginning this Sunday. . . . Be seeing you Saturday evening in Second avenue for the selection of girls to compete for the celebration queen. . . . One of the attractive places in which to hold an outing in this area is Wildcat Park, scene of the annual Trinity Memorial church picnic Wednesday; here the progressive citizens of Ludlow have provided a recreation spot unequalled anywhere in the country, with every facility available to hold a delightful gathering, whether a family reunion or a picnic for a giant industry; the equipment is in excellent condition, and nothing is lacking to prepare a spread no matter how elaborate the visitor may plan it.

LeRoy C. Eddy, member of the Warren county bar and actively engaged in the practice of law for the past 35 years, announced his candidacy for the Republican nomination for the judgeship of the 37th judicial district comprising Warren and Forest counties.

At a meeting of life insurance men of Warren held at the Geracimos restaurant, Earl G. Flohr, of the Mutual Life, was named president. Other officers are Harry Schmidt, E. Taylor, Judd and Roy Stoddard is retiring president.

Ruth E. Carlin Is Bible School Closing Eastern June Bride

The Church on the Green, Bloomfield, N. J., was the scene of a colorful ceremony at 4 p. m. Saturday, June 16, when the Rev. John Cox united in marriage Ruth Eleanor Carlin, Rahway, N. J., daughter of Mrs. Warren Ross Carlin, 4 Conewago Place, Warren, and Norbert George Loos, son of George John Loos, Bloomfield.

Wearing a street-length dress of burnished bronze silk organza and cymbodium orchids, the bride had as her only attendant her sister, Edith R. Carlin, Butler, N. J., who wore a street-length gown of beige raw silk, with pale blue beaded dress and accessories, and bouquet of yellow daisies and Tallman roses.

Harold Werthine was best man and Wayne Loesch, cousin of the bridegroom, ushered.

A reception and tea followed in the parish house, with a white and silver bride's table presided over by Audrey Loos and Edith Carlin, sisters of the principals.

Following a wedding trip to Virginia and North Carolina, the couple will reside at 567 Alden Drive, Rahway. The bride, fabric buyer and interior decorator for Koos Bros., is a graduate of Traphagen School of Design of New York City and served two and one-half years in the WAVES. Mr. Loos is an interior decorator associated with Koos Bros.

The union vacation Bible school of Bethlehem Covenant and Calvary Baptist Churches will present its closing program at 7:30 this evening in the latter church, Redwood and Center street.

Each department will present a brief sketch of what pupils have learned during the two weeks of school. The program will open with salutes to the flags, to be followed by the primary department under the direction of Jean Danielson.

The beginners' department, under the direction of Mrs. Alan Honhart, will present something of its memory work and songs; the juniors, directed by Mrs. Philip Johnson, will give a brief flannelgraph, "The Christian Life." Handwork of the students will be on display during the evening.

The school has been one of the most successful conducted thus far, with an enrollment of nearly 170 and attendance at the school of around the 200 mark.

Bible School Closing At Trinity Memorial

Vacation Bible school at Trinity Memorial church closes with the 11:00 a. m. service Sunday, when the children are asked to bring their parents to the exhibit to be held in the parish house after the service.

The exhibit consists of projects the children have undertaken during the two-weeks period and includes a miniature church designed by John E. Allen and executed by the younger group of children under the direction of Mrs. John Allen. Other exhibits are plaques, basketry, posters, and handcraft of various sorts.

The school has been under the direction of Mrs. Archie N. Hunter assisted by members of the church school staff and volunteer teachers, and has been the most successful of recent vacation schools.

The rector's subject for the sermon at the 11 o'clock service is "The Parents and Christian Education."

PRESBYTERIAN EVENTS

Monday—7:15, Boy Scouts of Troop 8 in the Scout room.

Thursday—Circle meetings as follows. MR. AND MRS. JOHN J. IMPERIAL

Francis A. Willman, 408 Janeway street, Kane, announces the marriage of his daughter, Frances Joyce, to John Joseph Imperial, son of Mr. and Mrs. Leonard Imperial, 503 Public Way, Warren. The ceremony was performed at 2 p. m. Saturday, June 2, in St. Joseph's rectory, the service read by Father Arthur Leon.

Wearing a ballerina-length gown of white lace, with matching Dutch cap, the bride carried a white prayer book topped with red roses and showered with satin streamers. She was given in marriage by her father and attended by Mary Bell, Warren, wearing white accessories with a lavender ballerina gown. Completing the bridal party, Ted Wozniak was best man for Mr. Imperial.

The wedding luncheon for 25 guests followed immediately, at the Hotel Carver, with guests from Jamestown and Clearfield. Later the couple left for a honeymoon spent in Buffalo and Canadian points.

Mr. Imperial is a member of the Warren borough police department and his bride is employed by the Culligan Soft Water Service.

Vacation-Mooching Relatives Give Farm Folk a Headache

THIS time of year letters start coming to me from farm wives who dread the influx of self-invited guests summer always seem to bring them. The one that came in today's mail is typical. I'm reproducing it here. Maybe some city folk who are thinking of writing to Aunt Minnie or Cousin Sue, suggesting that Johnny would love to spend his vacation on the farm, will stop to consider just how much they are asking.

Writes this farm wife: "Will you please comment on my situation? I am a farm wife with two small children and my aged mother to care for."

"We moved to the country from a city where my husband and I both have large families living. I honestly dread the coming of summer each year because it is just one family after another coming to spend their vacation with us from June until September."

"With all the work of cooking for extra people all the time added to the extra summer jobs such as gardening and canning, it is almost more than I can hold up under. It's a big expense, too—feeding extra people all summer long."

HARD TO BREAK OLD HABIT

"BUT of course we treat every one so that they feel most welcome; have good food, comfortable beds and pleasant atmosphere, so they always like to come back. Is it just one of those situations I can do nothing about?"

It's hard once they've got the habit of descending on you to put a stop to it without hurting feelings. This you obviously don't want to do, or you wouldn't have been so hospitable in the past.

But it is an imposition for city folk to expect a free vacation every year with their country relatives.

You could try a little strategy this summer that might pay off in another year. You could mention to each city guest that you'd love a vacation in the city this winter—and tell them sweetly you'll write them when it is convenient for you to come.

Or you could take to your bed—just call it physical exhaustion—and let your guests worry about the cooking, canning, and other chores.

But maybe you won't have to do either. Maybe your relatives will see this column, notice how the shoe fits and put it on.

FAMILY GATHERING
The 48th annual reunion of the Spencer and Wilcox families will be held at Falconer community park Sunday, June 24, with Mr. and Mrs. Alton Dalrymple as the committee.

Piano Auditions Judge

When the 1951 National Piano Auditions are held at Warren Conservatory of Music, June 27-30, the judge will be Ella Ketterer, a noted composer who has more than 200 works in the Presser catalog alone. Her outstanding musicianship over a period of many years influenced her selection by the organization as one of its judges in these annual piano-playing events. The Conservatory has been a member of the national group for the past 18 years, period in which the membership in the United States has grown from 2,500 to 35,000.

The idea of the national auditions is so good that it has simply "grown up itself." Before the organization came into existence, pupils all over the land usually played one piece from memory at the end of the year. Now, they play four to seven pieces by the end of June, the judge grading their playing and giving them valuable advice in what really amounts to a master lesson.

The pupil is in competition with himself only, playing from year to year to determine his progress in gradings, a goal found to be a great factor in inspiring pupils to practice and attain more nearly the perfection toward which all players are striving. Pupils automatically became members of the Na-

tional Federation of Students of Music and are presented by the judge with a beautiful gold membership pin.

Warren Conservatory has found the organization and these annual tournaments an invaluable asset in its program, with more and more pupils preparing annually for the judging.

MENU SUGGESTIONS

BY GAYNOR MADDOX
NEA Staff Writer

NOW call the neighbors in because you've got a delicious recipe. Sour cream makes a tender chicken even more so and also does wonders with the flavor.

Sour Cream Chicken and Dumplings (Serves 4-6)

One 3½-pound frying chicken, flour, salt and pepper, ½ teaspoon powdered ginger, 1 pint sour cream, ½ cup milk, 1 egg, 1 cup prepared biscuit mix.

Cut chicken into parts, as for frying. Dredge with flour, salt, pepper and ginger. Sauté in fat until brown all over. Place chicken in deep, buttered casserole.

Pour sour cream over it and cover tightly. Bake 2½ hours in moderate oven (350 degrees F.) before adding dumplings.

To make dumplings: Add milk and beaten egg to prepared biscuit mix. Drop batter by spoonfuls into casserole. Replace cover and bake an additional ¼ hour.

Melba Custard (Serves 6)

Two cups milk, ¼ cup sugar, 1 teaspoon cornstarch, ¼ teaspoon salt, 3 eggs, separated, 1 teaspoon

vanilla extract, ½ cup raspberry jam, 1 No. 2½ can peach halves, 6 tablespoons confectioners' sugar, ½ teaspoon almond extract.

Scald milk in double boiler. Mix sugar, cornstarch, salt and beaten egg yolks. Add to milk and cook, stirring constantly until mixture coats spoon. Remove from heat, cool, and add vanilla.

Pour custard into sherbet glasses and place 1 tablespoon of jam on each serving. Add peach halves and top with whipped cream flavored with confectioners' sugar and almond extract.

SUNDAY'S MENU

BREAKFAST: Melon, fried eggs and ham, corn muffins, butter or fortified margarine, marmalade, coffee, milk.

DINNER: Sour cream chicken and dumplings, green peas with onion, corn on cob, lettuce and tomato salad, strawberry pie, coffee, milk.

SUPPER: Cold cuts, potato and cucumber salad, hot buttered toast, relishes, canned pears, chocolate cake, tea, milk.

WCS ENJOYS PICNIC

The weather was ideal for the First Methodist WCS picnic held last night on the Chapman lawn on Jackson avenue, when a delicious tureen dinner was served by the new executive committee. Mrs. S. E. Saylor, new program chairman, led the devotions and Mrs. L. C. Niederlander, the new president, conducted a short business session. Several amusing games concluded an enjoyable evening.

GRANGE TONIGHT

Chandlers Valley Grangers will hold their regular meeting this evening, conferring first and second degrees on a class of candidates.

YOUTH FOR CHRIST WILL HAVE OUTING

Warren Youth for Christ will have an outing Saturday night at Allegheny Forest Park on the Kinzua road. Transportation will be furnished and all wishing to attend are asked to be at Bethel Evangelical United Brethren church by 6:30 p. m. Pop will be provided but all attending are asked to bring their own hot dogs. The evening's program will include recreation, eats, and a campfire sing-along with a devotional challenge by Pete Danielson.

ST. PAUL'S EVENTS

Monday—7:30, members of church council will hold their monthly meeting.

Thursday—8:00, Dorcas Society will meet in the church parlors, with Mrs. Clarence Agren, Mrs. Berne Geddes and Mrs. Marvin Wilkins as hostesses. A cordial invitation is extended to all members and friends and members are reminded to bring the bed jackets that are to be made for the Cancer Society.

Gorham "GREENBRIER"

The Greenbrier, a vigorous, thorny-vine plant, grows in the eastern part of the United States. Its umbels, or flowers, form a flat or rounded cluster. Gorham "Greenbrier" expresses this plant's vigor with a youthfulness of design. Its clean, restrained lines have a modern feeling, emphasized by a Greenbrier decoration depicting flower growth from bud to full bloom. See this pleasantly informal pattern at our store.

P.S. Ask to see the exclusive Gorham Sterling one-piece, dent-resistant knife handle.

TODAY'S WOMEN

By Dorothy Roe
Associated Press Women's Editor
Pointing out that dollars are a girl's best friend, U. S. banks, brokerage houses and life insurance companies are making a concerted drive to teach American women the ABC's of finance.

For the last couple of years banks all around the country have been holding finance forums for women, wooing the business of the community's housewives.

These forums have been tagged

with such provocative slogans as "to the ladies" and "for women only." Their purpose has been to teach the girls how to take their money out of the sugar bowl and invest it in stocks, bonds or mortgages.

Now the general federation of women's clubs announces the co-operation of the three most important financial groups in the country in a program to teach women that the business of hand-

Annual Meeting of Warren County Red Cross Chapter to be Held on June 26

Warren County Chapter, American Red Cross, will hold its annual business meeting at its headquarters in the Warren Service Center, 404 Market street, at 7:30 p. m. Tuesday, June 26.

In connection with this announcement, chapter officers remind that all members are cordially invited and urged to be in attendance to "see what your chapter is doing"; also that every subscriber to the Red Cross is a member of the chapter.

Election of directors to serve in the coming year and discussion of the budget will be followed by presentation of awards and citations for outstanding service in the past year.

Another feature will be a talk by Christine Harbour, regional representative for the Red Cross Blood Program, dealing with that phase of activities, while a sound film, "Red Cross Report," will depict all angles of the organization's work.

Immediately following the annual chapter meeting, directors will convene for their business session, with election of officers and assignment of committee heads for the new year's work.

Cub Pack 47 Holds Outing at Jefmore

A large turnout is reported for the annual picnic of Cub Pack 47, held at Camp Jefmore and including a delicious supper, presentation of awards, a period of games and awarding of prizes to the winners.

Meat loaf, coffee, milk, cake and ice cream were provided for the evening meal by the pack refreshments committee headed by Mr. and Mrs. Merritt Rohlin. Assisting them with the arrangements were Bill Barr, Bob Armstrong, Gil Branch, Bill Anderson, Ivan Bidwell, Bill Duff and Harry Tourtellott. A special vote of thanks was accorded them by the boys at the conclusion of the supper hour.

Awards were given as follows: Jim Redding, Wolf rank; Blaine Bidwell, Jim Rohlin, silver arrows; Larry Whitten, silver arrow and Bear book; David Sedwick, Webelos badge.

Billy Bloom, chief of Den 5, presented nice gifts to Mr. and Mrs. Laurence Whitten, Den Mothers and Dad.

A vote of thanks was also extended the Home Street Mothers Club, the sponsoring organization.

Pack Chairman Meade Hindert and Cubmaster Wendell Lawson asked for cooperation in "turning out another winning float for the Fourth of July celebration."

Games followed and prizes were awarded the following: Jack Armstrong, Jeff Branch, Bill Mervine, Bob Benze, Bill Anderson, Bobby Garrison, Chuck Nichols, Guy Albaugh, Jim Rohlin, Carl Swanson, Teddy Tourtellott, Bruce Hindert, David Sedwick, Penny Duff, Craig Drum and Denny Anderson.

Celebration Notes

Saturday!
At Eight P. M.
In Second Avenue!
Choosing of Queen Contestants!
Followed by a gala "Street" dance!
All entries be on hand in street attire!

If you wonder about the great interest displayed in the queen contest just take a stroll down to the Penn'a building, corner Pennsylvania avenue and Liberty street, and look over the nice assortment of gifts that are to be awarded the fortunate young lady!

And that reminds us, the girls who have entered are again advised to be on hand plenty early since it is expected the ceremonies will get under way promptly at eight.

The meeting at the American Legion Home last evening, second of the week, was surprisingly well-attended considering the other attractions that were taking place around town during the week, coupled with the fact that most of the boys have gardens, families and other interests to help take up their time.

Ed Honhart was heard in an interesting broadcast concerning the replica of the river raft which he is assembling to be a feature in the Fourth of July celebration. Mr. Honhart made a special appeal for other raftsmen to communicate with him and make arrangements to appear with the raft delegation, regardless of what stream they worked on. Suggest that Schneck make arrangements to "air" the recording again at some future date when more publicity could be given to it. Anyhow Ed is one of the most enthusiastic supporters the celebration has, and he is going to have one of the outstanding floats in the parade.

The Emblem Oil Co. is planning a surprise gift for the entries in the Koaster Klassic which will be announced more in detail later.

Almost a dozen entries for the Queen Contest arrived in the morning mails, with the deadline announced as five o'clock this afternoon.

The judging for the winners this evening will be by applause meter, with a committee of judges checking the instrument, which will be in charge of LeRoy Schneck, and the place is S and avenue, in front of the Warren Bank and Trust Co.

The float entries continue to come in all too slowly, and the committee in charge urges that local business houses, industries, clubs, societies, lodges, or other groups planning to be represented send entries in at once so that they may be assigned places in the parade with the first publication of the official orders.

Jack Barr and Ben Kinnear are still working on drum corps units, and when the finals are in the list will doubtless be a surprising one.

The Koaster Klassic committee is setting up another date for weighing in and trial runs, the details of which will be announced.

According to John Taggerty the Ministerial Association has plans well promoted for the vesper services to be held on the Beatty school lawn Sunday evening July first. The Rev. C. W. Baldwin, of Grace church, will deliver the address, and the music will be in charge of Byron Swanson, of the Warren Conservatory of Music.

Representatives of the committee are keeping the wires hot between Warren and the White House, completing the details for the appearance of Rear Admiral Dennison, who will deliver the talk at the dedication of the commemorative boulder at the entrance of War Memorial Field. It is also hoped that he will be privileged to remain in Warren over the Fourth and review the parade.

Here's an important notice from E. W. Honhart, who is sponsoring the "raft" entry in the parade: "All rivermen who are interested in our Raftsmen Parade meet at the office of the United Tannery at seven o'clock Monday, June 25—E. W. Honhart."

It was learned today that the Pleasant Township Fire Department is planning to have in the Fourth of July parade a marching unit, along with three or four vehicles, including a float with their king and queen. This entry will, of course, include the "clown unit."

Emmy Emerson and his musicians, through the local union, are donating their services for the dance repeating a service the committee has enjoyed the past several years.

It is expected there will be sixty horses in the Chautauqua County Sheriff's Association delegation that will be featured in the parade.

Farm real estate in the United States is estimated to have a total value of about \$69,000,000,000.

Warren's Largest City Directory Is Being Delivered

Warren's largest city directory is now being delivered to subscribers by R. L. Polk & Co., of Pittsburgh, regular publishers of the familiar periodical.

The new directory is a substantial volume listing 27,134 names in Warren, Clarendon, Irvine, North Warren, Saybrook, Sheffield, Thoma, Youngsville and the Warren County townships, with adults only being eligible for listing. This represents an increase of 5,898 names over the 1949 edition according to the publishers' records, and the count considers the combined names of man and wife as only one name, the publishers said. There are nine separate alphabetical sections—one for each of the towns and one for the townships.

Special features of the new guidebook include the designation of tenant-owned and rented homes, the designation of homes and places of business having telephones, and a story of Warren by the Chamber of Commerce.

The community's variety of enterprise shows up to good advantage in the yellow pages of the directory, where 281 different groups are catalogued from "Accountants" to "Yarns."

Following the usual practice, the latest Warren City Directory will be distributed to Directory Libraries at Chambers of Commerce over the country, for free public reference, the publishers announced.

This is a special service administered by the Association of North American Directory Publishers, to which the Polk firm belongs, it was explained. The Polk Co. maintains a local branch of the out-of-town directory service at the Warren Chamber of Commerce, and a number of late directories of this area are assembled there for the reference use of Warren business and the general public.

Walter J. Aaron and Rodney C. Zwald are first and last on the new Warren roll call. A perusal of the family names in the directory discloses that there are persons who are Clever, Coy, Loveless, Proud and Sly listed.

Today's Women

ling dollars is only a matter of common sense. These three fore-sighted groups are the Association of Stock Exchange Firms, The American Bankers Association and the Institute of Life Insurance.

It seems that the big boys of finance suddenly discovered that the little woman holds the purse strings on a major share of the nation's wealth, does most of the purchasing and is a potential customer too long neglected.

Ununtil recently there has been a sort of male conspiracy to shroud the money business in mystery, employing a form of financial double talk presumably understandable only to men.

The annual reports of many large corporations might as well be written in Sanskrit, so far as the average woman is concerned—and I have a sneaking suspicion that even the great big men—men also have trouble in figuring out whether the company is making money or losing its shirt.

And I respectfully submit to the nation's Titans of finance a simple and foolproof way to get Mrs. U. S. A. and her daughters fighting their way into banks and brokerage offices to invest the contents of their piggy banks.

The solution is simple. All the financial wizards need to do is to work out a vocabulary of finance, putting the investment terms into simple English such as is employed by the corner supermarket.

The average U. S. potato yield from 1919 to 1938 was 110 bushels per acre. By 1950, the average yield had risen to 238 bushels an acre.

Request Bids For Jackson Run Road

The State Highway Department has issued a call, the Associated Press reported today from Harrisburg, for bids for the widening of 5.07 miles of the Jackson Run road (Route 69) and surfacing existing pavement with bituminous.

The bids also call for construction of a reinforced concrete structure and three I-beam bridges over Jackson run.

The bids are to be opened in Harrisburg July 13.

Firemen at Russell Elect New Officers

Russell, June 22—Charles Fox, president of the Russell Volunteer Fire Company, was re-elected to that office in the June meeting of the organization. Serving with him will be the following:

Vice president, Ray Thompson; secretary, Charles Miller; assistant secretary, Elmer Roberts; treasurer, Vinton Finzer; trustees, Levi Learn.

Pat Ferrie was named fire chief for his fourth term, with Kenneth Jeperson as first assistant and John Stanton, second assistant. Richard Burlingame, captain; Fred DeWatter, second captain; Leonard Weston, first lieutenant; Ted Fox, second lieutenant; Fred DeWatter, truck custodian.

President Fox conducted the meeting, when Ed Walker and Sherm Blason were voted for membership and the chief reported three fire calls for the month.

The carnival committee reported some bills are still outstanding and a final report cannot be made until they have been paid.

INTRODUCING: Shannon McAvoy, of 220 Canton street, who sings folk songs over WNAE every Saturday morning at 8:15. His friends call him Warren's Burl Ives, because of the similarity in style of singing and voice quality. He was born in Forest county and began "picking" the guitar about 15 years ago. He played for a time with Joe Vario's Sun Valley Rangers. He has spent a lot of time in research in American folk music and he sings these songs with a sincere feeling for the role they have played in the American way of life.

DIES IN FLUNGE
Waynesburg, June 22—(AP)—An inquest will be held into the death of Mrs. Pauline Kronk, 28, of Carmichael, who was killed yesterday in a plunge from a moving car in nearby Jefferson. Police said that Scott E. Montgomery is being held on a charge of operating the vehicle on a suspended driver's license. Montgomery told police Mrs. Kronk jumped from the car because the brakes failed.

"O Thou of Little Faith"
JESUS told His disciples to get into a ship and to go to the other side, while He stayed to pray alone.
But the ship was tossed with waves for the wind was contrary. And at night Jesus went to them, walking on the sea. When they saw Him walking, they were troubled, saying, "It is a spirit," and they cried out for fear.
But Jesus said, "Be of good cheer; it is I; be not afraid." And Peter said, "Lord, if it be Thou, bid me come unto Thee on the water."
And He said, "Come." And Peter walked on the water, but when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, "Lord, save me."
Jesus stretched forth His hand, caught him, and said, "O thou of little faith, wherefore didst thou doubt?" And when they came into the ship, the wind ceased.
Then these in the ship worshipped Him, saying, "Of a truth Thou art the Son of God."
(Taken from St. Matthew 14, 22-33)

Man's Tragic Inhumanity to Man

BY WILLIAM E. GILROY, D. D.
THE miracle of the growth and spread of Christianity in the ancient Roman world, the world dominated by Rome, from the little group of disciples of the lowly Nazarene, is equalled only by the miracle of the survival of Christianity despite the cruellest and bitterest persecution by pagan groups.
Early Christianity shares that miracle with the Judaism from which it sprang, for Christians have never suffered more terrible persecution than that with which Grecian conquerors had sought to paganize and corrupt the worship of the Temple.
This was in the days of the Maccabees, shortly before the Christian era. I have frequently told in these columns how in that persecution eight hundred Pharisees, then the party standing for the integrity and purity of their faith, had been crucified on a single day; and six thousand worshippers, protesting against the paganizing of the worship in the Temple, had been put to the sword within its very precincts.
Would God that all such persecutions had been in the far distant past, or even in the few centuries ago, when the Inquisition did its fanatical work, and the fires of Smithfield burned!
We know what Roman Catholic prelates and priests have suffered in communist-dominated European and Balkan countries, and at the present moment daily papers tell of what Roman Catholic missionaries are suffering in China.
The persecutions and massacres of Jews under Hitler and Hitlerites have made our twentieth century life with a terrorism and destruction probably unequalled in all history, though present day historians have recalled and emphasized the long tragedy of man's inhumanity to man.
It is a devastating and terrifying record; yet not altogether terrifying, for with profound hope the evidence is clear and strong of the persistency of truth, and the power of religious faith, held with zeal and constancy, to survive against all the powers of hell.
Persecution, moreover, is not to be thought of only in its more dire and terrible forms. There is a persecuting spirit prevalent in our own and other lands, which does not take on forms of physical cruelty, but which seeks, nonetheless, to besmirch and destroy those against whom it directs its intolerance.
Such persecution often attacks even the noble and high-minded, by tactics of sneering, and lying, in the belief, unfortunately true, that many will believe lies if they are loudly and persistently told.
The fact that religion persists against all the efforts to destroy it, and that truth crushed to earth does rise again, does not lessen the reality of the suffering of the persecuted, or minimize in any way the evil of the persecuting spirit.
It is well that we should search our own hearts and lives, and see if there be in us any of that intolerance from which persecution springs. Zeal is not good, when it is not dominated by love.

Pleasant Township Royalty

Virginia Wilcox, left, daughter of Mr. and Mrs. Guy Wilcox, and Billy Wilcox, son of Mr. and Mrs. Claire Wilcox, chosen queen and king of the Pleasant Township Firemen's celebration the week of July 9th.

At the meeting of the Ladies' Auxiliary of the Pleasant Township Fire Department two lucky young people were picked to be king and queen of the firemen's celebration to be held the week of July 9th.

Queen Virginia Wilcox is the

Pennsylvania Department of Highways, Harrisburg, Pennsylvania. Sealed proposals will be received at the office of the Secretary of Highways, Room 506, North Office Building, State Capitol, until 11:00 a. m., eastern daylight saving time, July 13, 1951, when bids will be publicly opened and contracts awarded.

The young people will be officially crowned Monday, July 9, and will have a part in the firemen's parade on Wednesday, the 11th. The king and queen will receive gifts from the following firms and organizations: Sylvania Electric Products; Watt Office Supply; Darling Jewelry; Betty Lee; Western Auto; Miller Shops; Ladies' Auxiliary; Pleasant Firemen; Eddie's Exposition Shows.

Parade Chairman Frank Valone has announced that favorable replies have been received from many of the district's volunteer fire departments to participate in the parade Wednesday evening, July 11th.

On Tuesday evening, July 10th, Chief Ebert Clark and his water battle team will play hosts to three other Warren county fire departments for one of the many water battles to be held throughout the summer to determine the county champions. This type of entertainment is increasing in popularity every week. Many in Warren have never seen one of these contests so here's a chance to witness the boys in action.

The feature of the midway will be Eddie's Exposition Shows, owned by Edward Dietz, of Butler. At the regular meeting of the firemen Monday advance sale tickets were distributed among members of the department. These tickets are a considerable saving for mom and pop when they want to show their children a good time on the various rides.

This will be the first celebration attempted by the Pleasant firemen and they hope to make it an annual affair.

Sealed bids will be received by the Sheffield Township School District, Sheffield, Pennsylvania up to July 7, 1951 for the following:

1. Painting eight rooms and halls in the high school.
2. Sound proofing the music room in the high school.
3. Painting exterior frame work on the high school.
4. Painting rest rooms in the Washington School.
5. Installing four toilets and four urinals in the Washington School.
6. Replacing five fire escape windows with doors.
7. Coal for the Sheffield High School for school year 1951-1952.

Specifications for any of the above may be secured at the high school office. The Board reserves the right to accept or reject any or all bids.

Board of Education Sheffield Twp. E. F. Blair, President W. W. McMillen, Secretary June 22-29-July 6-31-51.

Grand Finale of Sheffield's Old Home Week Celebration Is Scheduled Saturday

Sheffield, June 22—Grand finale to Sheffield's Old Home Week celebration this year will be the big parade Saturday night at 6:30 p. m. with about 20 marching units to participate.

Parade entries include the following: Warren Cooties; Dorothy Engstrom's Kordion Kids; Warren's American Legion drill team; O'Connor Machine shop; Russell fire truck, Titusville VFW marching unit.

North East fire department band and marching unit; Clarendon VFW and VFW auxiliary; North Warren volunteer fire department; Junior Marine drill team of Titusville; Columbus fire truck.

Colonel fire truck; Ridgway junior bell lyre corps; Armstrong Yellow Jackets 40-man bugle corps and fire truck of Johnsonburg; Brockway fire truck and marching unit; Bradford VFW drum and bugle corps and the Salamanca White Indians and auxiliary.

Committees for the Old Home Week celebration sponsored jointly by the Sheffield volunteer fire department and Veterans of Foreign Wars have planned two attractions for this evening.

At 7 p. m. a girls softball team from Olean, N. Y., will play the Jones Chevrolet softball team at the playground. Later in the evening about 10 p. m. 100 fireworks displays will be set off from Bull Hill.

Last night was Mardi Gras night with about 10 persons attending the carnival in costume. At 8 p. m. they paraded around the business loop and past the playground to the carnival grounds where the "German" band which led the parade presented a few selections.

The judges, Mrs. Joseph Stranava and Mrs. Mike Cashmere, chose the following prize winners: Joseph O'Connor as Frankenstein; the Lincoln Girl Scout troop for depicting a shot-gun wedding, and Bob Baynes, dressed as Douglas MacArthur with the statement, "Old soldiers never die," on his back.

Vacation Bible school has been conducted this week and will continue next week at the First Methodist church from 9:30 a. m. to noon.

Clinton Debolt is in charge of the school. He is being assisted by Mrs. Francis L. Borden, Mrs. Norman Samuelson, Mrs. Russell Swartzlander, Mrs. Delbert Silves, Miss Ruth Work, Mrs. Clinton Debolt, Mrs. Raymond Davidson and Mrs. Milton Danielson.

AT CONVENTION

Mr. and Mrs. Russell Templeton, Prospect street, were in Conneaut Lake Wednesday and Thursday to attend the convention of the North-western Pennsylvania Funeral Directors Association.

IS CALLED HOME

Gerald Thompson, Williamsville, N. Y., has been called home by the illness of his mother, Mrs. Reuben Dyke, Sugar Grove, who submitted to a major operation at Jamestown General Hospital Tuesday morning.

BARBERSHOPPERS

The Warren Barbershop Singing Society will hold a roast beef stag dinner at the Henlock Community House Monday night, June 25. Dinner will be served at 6:30 o'clock. New officers will be installed.

METER COLLECTIONS

A holiday, Flag Day, cut into parking meter receipts for this week's collection, with the result that no record was established. The take in yesterday's collection by police totaled \$472.17 as contrasted with over \$500 for the previous week.

SHIRT REMINDER

Officers of McClintock PTA ask that persons who have ordered sweat shirts and tee-shirts will get in touch with Mrs. Adolphson, 339-R, and pick up their orders. Also that those who have changed their minds since placing orders will make cancellations so that the surplus shirts may be sold.

CAR ON PLATFORM

Police were called to the Pennsylvania Railroad station where a minor accident resulted in a parked car being pushed up on the waiting platform. Officers removed the car from the platform. There were no injuries and no formal report filed.

ASKED TO CONFERENCE

State Senator L. E. Chapman has received a telegram from the office of Governor John S. Fine requesting his presence at a conference called by the executive for Monday morning at ten o'clock. In the absence of any other advice it is assumed the conference is in connection with the tax-budget issue now before the legislature.

FINE PAID

Glen Borton, of Youngsville, entered a plea of guilty and paid a fine of \$10 and costs when arraigned before Justice W. H. Braze in Youngsville last evening. The charge was preferred by Richard M. Range, also of Youngsville, as the result of a neighborhood battle.

IMPORTANT COMMITTEE

State Senator L. E. Chapman, of this city, has been appointed by Governor John S. Fine, as a member of the special commission to participate with Philadelphia in the 125th anniversary celebration of the signing of the Declaration of Independence. The commission will represent the commonwealth of Pennsylvania in the elaborate program that is being arranged in connection with the historic event.

NORTH WARREN TV SHOW

Attention is called to the fact that there will be no admission charge of the TV show to be staged at the North Warren Community House Saturday evening to permit interested persons to see the Warren Boy Choir on the Paul Whiteman program at Philadelphia. The Whiteman show is scheduled at eight o'clock, but the program at the community house will start about seven p. m., for the entertainment of those who may enjoy seeing programs earlier in the evening.

100 Boys Leaving Sunday For YMCA Camp on Lake Erie

Over 100 boys will leave Sunday for Camp Sherwin on Lake Erie to attend the 1951 camping season of the Warren YMCA program. The group will be taken by buses that will take off from the "Y" at 1 p. m., except those campers who will be taken by their parents.

This year's camp is extending over a two-weeks period and will have a staff of 19 members on hand for supervision. Staff members are:

Murray Cameron, director; James Hengst, boys work secretary; Kendall Morrison, cadet unit leader; Paul Mutzabaugh, junior unit leader; Allen Anderson, senior unit leader; Bill Mulvey, waterfront director; Mary Konestoba, nurse; Marjorie Wilson, bookkeeper; Robert Cowden, LeRoy Salerno, Eugene O'Neill, Charles Johnson, Jack Hahn, Stuart Kornreich, Charles Fisher, John Bickarck, Hugh Lauffer, Paul Steinkamp, and John Mangus.

During the past week a number of the counselors, under the direction of Mr. Hengst, have been at the camp working to have everything in shape when the campers arrive Sunday afternoon.

This staff has worked out a fine all-around program for the session and every boy should find it a great deal of fun and worthwhile.

BARNES

Barnes, June 20—Mr. and Mrs. Price Hamer of Central City, were guests at the home of Mr. and Mrs. J. B. Lyle, last week.

Mrs. Milton Titus, of Bradford, and Mr. and Mrs. Richard Dunlop and infant daughter, Nancy Joan, of Chicago, Ill., were dinner guests at the home of Mrs. D. R. Titus, Tuesday evening. Little Miss Nancy Joan is Mrs. Titus' first great grandchild.

Miss Ruth Silvis, who is employed in Washington, D. C., spent several days of last week visiting her parents, Mr. and Mrs. Harry Silvis.

Mr. and Mrs. Donald Lyle, of Pittsburgh, visited their parents over the weekend.

Mr. and Mrs. Lyman Edeburn and Mr. and Mrs. Leo Richards and son, Burton, of Franklin were guests at the home of Mr. and Mrs. G. L. Holden, Thursday.

Mr. and Mrs. Allen Schuler and daughter, Sherry, are spending this week at the Schuler camp home in town. Mr. Schuler was graduated from Washington and Jefferson College in Washington, Penna., Saturday, and was presented with a new Chevrolet car in honor of the occasion.

Mr. and Mrs. Harry Shaw attended a fifty-first wedding anniversary party honoring Mr. and Mrs. Peter Coalhepe of Shippensburg, Sunday.

June Rains Boon To Crops In State; Fruit Looks Good

Crop prospects on Pennsylvania farms brightened with heavy rains the second week in June, which averted possible serious declines from the below normal rainfall in May, the State Department of Agriculture reports.

Lack of rain last month permitted winter grains, alfalfa, clover and grass, according to Federal-State surveys.

A few western localities had too much rain during May but in south-central and northeastern counties precipitation was deficient, the survey report declared.

In the dry areas hays, winter grains and pastures were short on June 1 but the planting of spring crops was well advanced. May rainfall averaged 2.55 inches or 1.5 inches below normal. Temperatures average 59 or slightly below normal.

Prospects continue bright for a good crop of all fruits in Pennsylvania, the Department said. Freeze damage was especially light and weather conditions favorable for pollination. A heavy set appears to be quite general. By June 1 sweet cherries were ripening in the southeast, sour cherries were beginning to color and both peaches and apples were sizing nicely, it was said.

Dry weather of May was especially favorable for preparing soils for planting corn. Much was planted earlier in northern counties than usual. Some sections were too dry for good germination and stands were uneven. Damage from wire worms in a few localities caused some replanting of fields. Many stands of winter grains are only fair, showing effects of winter kill and drowning on soils without good drainage. Rye conditions is fair to good and some stands of barley have been infected with smut disease. Most oats look promising though some stands are thin.

The trend in Pennsylvania from growing small patches of potatoes has continued this year, the survey disclosed. Commercial potato growers have reduced their plantings and the State will have the smallest acreage since Civil War days. Potatoes generally are doing well and some early varieties were in bloom the first of the month. Conditions favored cultivation and spraying. Control of insects and disease has been good. Many flea beetles have been reported in a few localities.

ONE DEAD AND THREE HURT IN COLLISION

Aliquippa, June 22—(P)—A steel worker was killed and two other persons injured early today in a three-car collision on the Monaca-Aluippa highway.

Earl L. Pyle, 30, of Beaver Falls, a Jones and Laughlin Steel Co. employee here, died two hours after the accident of a fractured skull. Police said Pyle was driving home with a fellow worker, Daniel Dunning of Beaver. Dunning suffered a fractured collar bone and other injuries.

Other cars involved in the wreck, police said, were operated by Mrs. Margaret Clausen, 35, of Monaca, and David Nahas, of Vancor. Mrs. Clausen suffered a broken leg. Nahas was unhurt.

AGED WOMAN KILLED

New Castle, June 22—(P)—Mrs. Margaret Johnson, 80, who was injured when two youths bowled her over as she walked out of a theater June 2, died yesterday.

Change of Scenery Proves Help To Some Major League Players

By The Associated Press
Saul Rogovin, Bob Cain, Sam Chapman, Tommy Brown and Don Johnson know it was true when the man said: "All you need is a change of scenery."
Most ball players hear that cheerless message from the front office, sooner or later. Usually it's the kiss of death, meaning you're through. Bud. Get moving.
In the case of Rogovin, Cain, Chapman, Brown and Johnson it seems to mean the dawn of a new life. They're all red hot.
Just take a look at what happened yesterday:
1. Rogovin, traded by Detroit to Chicago May 15, choked off the New York Yankees with four hits, 5-2, restoring the White Sox's lead to 3½ games. It was his third win and fifth complete game in his new uniform.
2. Cain, sent to Detroit in the Rogovin deal, polished off Philadelphia, 9-3, his fifth win since he left Chicago.
3. Chapman, sold to Cleveland by Philadelphia in mid May, caught fire at Fenway Park in the Tribe's 8-4 victory. He drove home three with a double and then stole home in the first inning. Later he knocked in another run. Since he joined the Indians he has hit four homers. With the A's he had none.
4. Brown, the perpetual juvenile hope at Brooklyn, finally heard the "change of scenery" routine June 7 when the Dodgers sold him to the Phils. Installed at second base by Eddie Sawyer, he came through with a grand slam home run in yesterday's 10-5 romp over Pittsburgh.
5. Johnson, clicking for his old Yankee boss, Bucky Harris, turned in a six-hitter against St. Louis last night for his third straight win 9-2. In between the Yanks and Senators, Johnson did a turn with St. Louis which sold him to Washington May 29.
Recently traded stars did not rate such important roles in the other major league games played yesterday when the St. Louis Cards' Gerry Staley blanked the New York Giants, 2-0, on five hits and Brooklyn's Preacher Roe spun his 10th straight by subduing Cincinnati, 6-4, with ninth-inning help from Carl Erskine.
A scheduled Boston at Chicago game in the National was rained out after one inning with the Braves on top 1-0.
Rogovin's brilliant performance at the Yankee Stadium yesterday was a big win for the White Sox, enabling them to split a vital series on the road.
Little Nellie Fox and Red Robinson led the 18-hit blast against Spec Shea and two others. After Fox opened with a triple and scored on a fly, the Yanks never did catch up, despite two homers by Johnny Mize.
Brown showed the way for the Phils with his first-inning homer with the bases full. Bill Nicholson and Willie Jones also homered as the Phils swept the three-game series and sneaked into fourth place. Robin Roberts rode home easy with a 12-hitter for his eighth win. Rookie Paul Lapaine was the loser.
The Dodgers stretched their National League lead to 6½ games.

Blind Hole Tourney Held at Local Club

Ed Branch, Jr., posted a net 18 to win a five-hole blind golf tourney at the Conewango Valley Country Club yesterday. Three tied for second place with 19's. They were Bob Blair, Fred Prutz, Jr., and Bob Alexander.
Scoring holes for the tourney were 2, 4, 5, 7 and 8.
A golf event slated for tomorrow at the local club will pair the Wanango Country Club men from Oil City against the Warren men.

★ THE SCOREBOARD ★ New Car Gives U. S. Chance To Win Le Mans Auto Race

BY HARRY GRAYSON
NEA Sports Editor

NEW YORK—(NEA)—For the first time since 1921, when the Le Mans, France, annual sports-car race became the most important event of its kind, the United States is rated more than an outside chance of winning.
On the basis of recent performances, conducted in private, of the newly designed Cunningham, America's first competitive sports car, the Yanks expect to show the way to Europe's finest, June 23.
Alec Ullmann, the team manager, says so.
"A lot depends upon how our car takes that French gas—it's only 60 octane and we're not allowed to bring our own," cautions the New York foreign-airlines agent.
Sports-car racing's equivalent of the Indianapolis 500, the Le Mans competition has been going on longer than most Americans can remember. The late Jimmy Murphy showed the exhaust pipes of his hopped-up Duesenberg to the field in 1921. It was about then that the world's top drivers decided newly built roads and the 24-hour grind made it the stiffest endurance test of all.
No American has copied honors since Murphy hopped down in front. Last year, in a couple of Cadillac jalloppies that didn't even fit the sports-car description, Cunningham, Phil Walters and Sam and Max Colliers finished ninth and tenth. It was the first time the United States had sent a team abroad since 1936. There simply hadn't been enough interest here in the sport.
Six drivers, two to a car, carry American hopes this time. Besides Cunningham and Walters, who used to compete in stock-car races, Jimmarr is taking ex-Mustang ace of World War II, John Fitch; Chicago's Fred Wacker, Jr.; George Huntoon and George Rand.
Among the 60 entrants the Americans will have to beat are last year's winner, Jean Rosier of France, in his red-hot Talbot, Italy's Luigi Chinetti in a Ferrari and Tommy Cole of England, who finished second last year in a Chrysler-powered Allard after winning the Bridgehampton number. He repeated in the latter, June 9.
It isn't the competition, though, that worries the brave little band of millionaires who carry America's sports-car hopes abroad.
"It's how the expensive Cunningham will hold up under the pressure of a 24-hour race on picturesque French roads, using low octane gas."

Games Slated For Warren Merchants

Warren Merchants have two baseball scraps listed for the weekend.
On Saturday afternoon at the State Hospital field, the Merchants will play the Ellington, N. Y., nine. Game time will be 2:30 o'clock.
Also on the schedule is a Sunday matinee affair, with the Merchants to battle the Jamestown Vets at the Frewsburg diamond.

St. Louis Scouts To Hold Tryouts Here Next Month

One of the greatest representatives of America's favorite pastime will be in town when the St. Louis Cardinals conduct their tryout camp on July 5, 6 and 7 at the State Hospital grounds.
The tryout camp system, which was originated by the Cardinals, is a worthy method whereby potential major league ball players who do not live close to major league towns are afforded an opportunity to prove their ability before the discerning eyes of the scouts. In camp such as the one staged here five of the present Cardinals were signed—manager Marty Marion, "Red" Schoendienst, Enos Slaughter, Cloyd Boyer and Solly Hemus.
Veteran Red Bird scouts Frank Crespi, C. S. (Pop) Kelencher, Harrison Wickel and John Brackensridge will be on hand to watch each aspirant go through his paces, noting particularly their fielding, throwing, hitting and base-running. Those who are considered as future big league talent will be signed to one of the 15 teams in the famed Cardinal farm system.
The workout under Crespi, Kelencher, Wickel and Brackensridge will begin at 11 a. m. and continue until 3 or 4 o'clock in the ages of 17 and 23 are invited the afternoon. All those between 16 and 24 are invited to attend, but are reminded to bring their own shoes and gloves, and uniforms if they have them, as the Cardinals do not furnish such equipment.

Kiner Is Shifted Back to Outfield

Pittsburgh, June 22—(P)—Branch Rickey's first major experiment with the limping Pittsburgh Pirates fizzles out today when First Baseman Ralph Kiner moves back to his familiar post in left field.
Kiner shifted to first base in spring training at the suggestion of Rickey, the new general manager who hoped to lift the Pirates from the doldrums of their 1950 last place.
The switch, one of several engineered by Rickey, hasn't helped the club. But it can't be blamed on Kiner, who has done right well considering the abuse he has had to take from Pittsburgh fans.
If you remember, the same fans chased "Bob" Elliot, now with the Boston Braves, right out of Forbes Field. Manager Billy Meyer and Kiner talked over the situation and decided something had better be done.
"They've (the fans) been riding him pretty hard," commented Meyer, "probably without realizing he (Kiner) has tried to do much to help our club."
"Ralph's a swell fellow and I hope the fans take this move the way they should. He has given first base a real effort, but after so many years in the outfield, it is tough for anyone to make the change that Kiner tried."
"I hope it doesn't hurt his chances of making the All-Star game in Detroit. He deserves to play."

Ludlow Wildcats Top Dagus Mines

Ludlow Wildcats thumped the Dagus Mines baseball squad, 15 to 1, in a game last night at Wildcat park.
Keith Vesling was on the mound for the winners, and was never in trouble. Keith's brother, Jerry, and Dean Whitaker also have been signed to play for the Wildcats.
Next game will be played Sunday afternoon at Ludlow when the Wildcats face the Marlin-Rockwells of Jamestown. The Jamestown squad is leading the semi-pro loop in that city, and is rated one of the top nines in the area.
The Ludlow team is planning home games at Wildcat park each Sunday and holiday for the balance of the season.

Fadales Nose Out Sylvania, 7 to 6, In Junior Loop Scrap

Fadales nosed out Sylvania, 7-6, in a hard-fought Hot Steve Junior League scrap at Jackson field last night.
Dick Hartnett turned in a five-hitter and struck out nine batters for the winners. But Dunn, receiver for the Fadales nine, singled in the fourth to score the two runs that put the game on ice.
Gheres started on the mound for Sylvania, and was relieved by Gnage. Laufenberger was behind the plate.
Score by innings:
Sylvania 003 003 0-4 5 4
Fadales 320 200 X-7 6 4
In a Junior League scrap at Youngville, the Youngville American Legion topped the Glade A. C., 7-4.
For Youngville, it was seven runs on 10 hits and two errors; Glade had four runs on three hits and two errors.
Batteries were Sedlak and Haight for Youngville and Smith and Nordine for Glade. Each hurler was credited with nine strikeouts.
Leading stickmen were Danusky, who hit a double for Youngville, and Albright with a triple, and Nordine with a double, both for Glade.

INTERMEDIATE GAMES

McMillen Lumber 3, Warren County Dairy 2.
Batteries: Dorsey, Fitzgerald in the seventh and Bliss (McMillen), Robillard and Johnson (Warren County Dairy); McMillen had three hits, the dairy team had two. The game was played at Clarendon.

MIDDLE ATLANTIC

By The Associated Press
The New Castle Senators broke a season-long jinx last night by beating the Erie Sailors the second game of a Middle Atlantic League doubleheader, 6-5, after Erie had won the first game 8-2.
New Castle has lost 12 in a row to Erie. Sailor Paul Gilmartin pitched a four-hitter in the first game and was aided by home runs by Al Poblisk and Eli Russo. In the second game, New Castle's winning run came in when Pitcher Dean Stone threw wildly over first base in the final inning.
In other contests, Lockport took a twin bill from Butler, 6-5 and 5-2, and Niagara Falls beat Oil City 12-9. In the nightcap, Lockport Pitcher Pat McCullough led Butler down with five hits and held the Tigers scoreless after the first inning. Niagara Pitcher Al Yearich batted in two runs in the eighth inning to help win his own game.

PONY LEAGUE

By The Associated Press
Olean gained a full game on the leaders in the Pony League last night as both Jamestown and Hornell lost.
The Oleaners slapped Corning, 9-2, and are 2½ games behind Jamestown and one behind Corning.
Olean has a chance to gain more tonight when it invades Jamestown for a doubleheader.
Hamilton edged Jamestown, 14-18, in a slugfest that featured a total of 20 hits. Enzo Zanatta got credit for the win by pitching only two balls. After his second pitch in the top of the ninth a man was caught stealing and the side was retired. The Cards won in the last of the ninth on Eddie Berg's two-run triple.
Stan Burkholder of Bradford shut out Hornell, 4-0, on seven hits. It was his third win against the Dodgers and his fourth over the season.
In the other game, Wellsville climbed to within one game of fourth-place Batavia, by beating the Clippers, 5-3. It was Wellsville's fourth win in a row.
George Herman (Babe) Ruth, Corning catcher, broke his leg sliding into second in the third inning. He was taken to St. Francis Hospital and is expected to be out of action for at least eight weeks.

Plane With 40 On Board Is Overdue

Dakar, French West Africa, June 22—(P)—A Pan American World Airways plane with an estimated 40 persons aboard was reported more than nine hours overdue today on a flight from Johannesburg to New York City.

A dozen French planes hunted over land and sea for the plane, which had failed to make a scheduled stop at Roberts Field, airport for Monrovia, seaport capital of Liberia.

The plane's last stop had been at Accra on the gold coast. The airport at Dakar, a big control point for the west African coast, said the plane had enough fuel to be still in the air. This statement was made at 6:45 a. m., Eastern Standard Time.

The plane was due to land at Roberts Field at 3:15 a. m., Dakar time (11:15 p. m. EST Thursday). Its next stop was at Dakar.

GEORGE H. GINADER WINS SCHOLARSHIP

George Hall Ginader, son of Mrs. Meredith Ginader, 312 Fourth avenue, is the winner of this year's state scholarship for senior students of Warren county, according to announcement made today by Dr. Francis B. Hass, superintendent of the Department of Public Instruction in Harrisburg. Haas said the scholarships, given 79 seniors in the commonwealth, are awarded on the basis of competitive examinations and are worth \$100 a year for four years at any approved college or university. George is employed as a page at the Warren Public Library and is enrolled at Allegheny College for the fall semester.

"There's been a definite change in the Communist jet pilots. They are more aggressive and better organized than ever before. You can be sure that the Reds have got their first team in now."

Gabreski and other Fourth Wing pilots have just as much respect for the Red MIG-15 jets as for the enemy pilots.

The colonel has been flying at least one mission daily since his arrival. Administrative duties as deputy wing commander probably will cut in on his flights.

whether any American jets were lost.

The Far East Air Force announced 245 American planes have been lost in the war, which will be a year old Monday, and 391 Communist planes destroyed or damaged.

Two unidentified planes made two hour attack on U. N. lines near Chon-on, on the western front, in the early morning darkness Friday.

An Allied division commander called it "a stunt to improve Chinese morale."

Earlier a tiny airplane strafed Kimpo airfield near Seoul and bombed the city itself. The "bombs" were reported to be mortar shells. There were four of them.

U. N. fighters and bombers hit back hard at air strips in North Korea to keep the Communists from using them in support of an expected limited Chinese offensive.

lawmakers returned home for the weekend to consult with the home folks on the longest fight in the legislature in years:

1. Any new taxes apparently dropped out of the situation with decision of a dozen Republican senate opponents of the income levy against any new taxes, at all, and refusal of the GOP house leadership to consider any substitute for the income tax it passed.

2. Fine applied back-home pressure on tax opponents, charging their refusal to vote new taxes threatened "worthy projects" such as the Philadelphia mall and the Pittsburgh point park improvements.

Throwing out new taxes narrowed the dispute to the issues of raising estimates of revenue expected from present taxes for the next two years and cutting appropriations.

TWO CONGRESSMEN REPORTED IN FIGHT

Washington, June 22—(P)—Rep. John Phillips (R-Calif.) suffered a cut lip today in a fistfight with Rep. Clarence Cannon (D-Mo.).

Cannon is 72 years old. Phillips is 63. Both are members of the house appropriations committee and the fight was during a house corridor argument over committee procedure.

Phillips was reported to have gone home after being treated in the office of Dr. George Calver, Capitol physician.

Cannon returned to the house floor, unmarked.

Rep. John Taber (R-N.Y.), an eyewitness, told reporters Phillips "started after Cannon" when the latter called Phillips a name.

Pittsburgh, June 22—(P)—Judge Sara Soffel today accused Police Superintendent Harvey J. Scott of being drunk and belligerent before the state's special grand jury probing official corruption in Pittsburgh.

Scott denied the charge. An investigation was ordered immediately by Deputy Mayor Howard N. Stewart who is acting in place of Mayor David L. Lawrence who is vacationing in Europe.

The police superintendent was ejected from the grand jury room five minutes after he entered. He was escorted to Judge Soffel's chambers by State Attorney Robert M. Entwistle, Jr.

Judge Soffel summoned newsmen into her courtroom to hear her conversation with Scott.

THE MARKETS

New York, June 22—(P)—The stock market fell back quietly today with Chrysler motors a downside feature. Chrysler was off more than a dollar a share shortly after the opening in fairly active trading. Directors met late yesterday and adjourned without making an announcement concerning a dividend. Customarily third quarter dividend action is taken at this time. The next meeting is scheduled for Aug. 9. Losses throughout the list were held to under a dollar a share among leaders. Plus signs were small and scattered.

Security Officer Gives Explanation Of Retirement Pay

You do not have to be wholly or financially "retired" to get retirement payments under the Old-age and Survivors Insurance system, according to Chester R. Norman, manager of the Jamestown, N. Y. Social Security office. The number of people coming into his office confused on this point prompted him to make the explanation.

"Actually," Mr. Norman pointed out, "the new Social Security law makes it possible for insured people 65 or over to collect retirement benefits while still earning up to \$500 per month on covered jobs. The old limit of \$14.99 was changed on last September 1. Even the \$50 limit does not apply to earnings from work not covered by Social Security. Neither does it apply to people age 75 or over."

"The law is simply that a person between 65 and 75 years of age cannot collect benefits for any month in which he earns more than \$50 from work covered by Social Security. No amount of earnings or income from other

sources will affect his right to benefits. Insured people age 75 or over can collect even though working full time on jobs covered by Social Security, or for that matter, any job.

"Another point we'd like to get across," Mr. Norman continued, "is that anyone now age 65 or over very likely is insured, and eligible for benefits, if he has worked as much as a year and a half, at any time back to January 1937, on Social Security-covered jobs."

Mr. Norman invites residents of this area who are eligible for benefits under the new law to get in touch with his office, located at 312 Jamestown Hotel Bldg., Jamestown, N. Y.

Part time service is maintained at the City Hall, 2nd floor, Dunkirk, N. Y., from 12:00 noon to 3:00 p. m. every Thursday and at Warren, Pa., in the Armory every Tuesday between the hours of 9:30 a. m. to 12:30 p. m.

JUMPS FROM BRIDGE

Pittsburgh, June 22.—(P)—Mrs. Anna Barth Kapp, 69, died in a plunge from the Cornell avenue bridge in Ross township yesterday.

Relatives said the Pittsburgh woman had been worrying that she had cancer of the throat.

Carnival and Fire Hall Are Discussed At Corydon Meet

Corydon, June 22.—Discussion centering around the coming carnival and building plans for a new fire hall occupied the fire department at its regular meeting in the IOOF hall. President Clayton Swift conducted the business session.

Fifteen pupils of the Onoville school, including seven from Corydon, were accompanied by their parents for an outing and picnic at Allegany State Park, the affair marking the official closing of the school term and the beginning of the summer vacation period.

Mr. and Mrs. Garth Stoltz, Butler Run, entertained a number of guests in observance of the 25th wedding anniversary of Mr. and Mrs. Clifford Butler, Bradford. The honored guests were the recipients of numerous lovely gifts and the very pleasant event was concluded with refreshments.

Mrs. Lida Wilcox was hostess to members of the Wednesday Night Social club. The evening was spent playing 500, and refreshments were served following the awarding of prizes.

Under the direction of Margaret Crooks, the Methodist young people's choir will resume and be heard at the Sunday morning church services. The group met this week for practice.

Dinner guests at the home of Mr. and Mrs. Paul Cook, Bolivar, were Mr. and Mrs. John Schuler, from Florida; Mr. and Mrs. George Akers, Mrs. Olive Fair, Lena Schuler and Jacob Schuler, of this place.

Church Notes

(From Page Nine)

AT ST. PAUL'S
Dr. H. A. Rindard will bring the Sunday morning message in St. Paul's Lutheran church and there will be no vesper service. Mrs. Emil Jacobson has chosen the following for her morning organ numbers: Prelude, "Elevation in A Flat"; Guilmant; offertory, "O Salutaris Hostia" by Gounod; postlude, "Larghetto" by Mozart. A vocal solo, "Come To Me" by Beethoven-Aslanoff, will be sung by Mrs. Clarence Pearson.

FIRST LUTHERAN
Sunday morning services in First Lutheran church will be at 8:30 and 11:00 a. m., with Pastor E. K. Rogers preaching on the gospel for the Nativity of St. John the Baptist. Sunday school meets at 9:45.
